

INTERNATIONAL BANK OF « TROTTEUR FRANÇAIS » STALLIONS

As part of the promotion of Trotteur Français horses in the countries which signed the breeding agreement, LeTROT renews with the **International Bank of Stallions**. The aim is to satisfy the needs of foreign breeders who wish to use a Trotteur Français stallion.

This list contains Trotteur Français stallions proposed by their owners for sale or for rent during 2021 breeding season.

Stallions proposed :

« Trotteur Français » stallions approved to breed in « Trotteur Français » Stud-Book

A fertility test (numbers, mobility et viability of spermatozoons) **which is dated less than one year can be asked for the stallions.**

Optional mortality guarantee in case of rental will be payable by the owner of the stallion.

Calendar :

November 5th , 2020 :

Publication of the list

December 31st, 2020 :

Deadline to receive offers

January 2021 :

Organisation of the exportation of the stallions booked

Transportation :

The stallions held will be transported (return trip) by the foreign breeders and under their responsibility.
